

Buy-to-Try Program

30-day money-back guarantee

Protecting you for life's **best** moments.

At GVS-RPB®, we pride ourselves on creating respiratory protection solutions that enhance your comfort and ability to perform, while maintaining an incredibly high level of respiratory safety.

We know what we manufacture is the world's best, but we want you to experience that for yourself and so, to make this even easier and more accessible we've created the GVS-RPB Buy-to-Try program.

We know it can be hard to trial a product and properly put it through its paces when you have to return it in a less than new condition. To ease these concerns, we're able to offer select products at a one off, Buy-to-Try price, where you purchase directly from GVS-RPB.

This purchase comes with a 30-day money-back guarantee just in case you don't fall in love with our products. This offer allows you to give the product a full test run in real-life environments without worrying about its condition should you want to return it. If following the trial you are pleased with our product, it's yours to keep. All future order requests will be processed through authorized GVS-RPB distributors.
