C40[™] Climate Control Device

Control Your Environment

C40[™] Climate Control Device

Control Your Environment

The GVS-RPB° C40 is a robust climate control device, designed to give you ultimate comfort when using your GVS-RPB° supplied air respirator.

Renowned for our design innovation, the C40 pushes respiratory comfort to the next level. The C40 ensures you are protected for life's best moments by maintaining you at your optimum body temperature, so you don't suffer from heat exhaustion or chilling.

With its simple sleek design, cool the incoming air by up to 52°F (29°C) or alternatively, heat it by up to 33°F (18°C) all by the slide of a lever. This device is the next step for maximizing your productivity and safety.

The C40 is certified to the standards below:

C40[™] Climate Control Device - Parts

Control Your Environment

C40™ Climate Control Device - Parts

Part # 04-833 SAR Breathing Tube For Z-Link® and T-Link®.

Part # 04-852 Tychem® Breathing Tube Cover Breathing tube not included.

Part # 04-854
FR Breathing Tube Cover
Breathing tube not included.

Part # 04-855
Aluminized Breathing Tube Cover
Breathing tube not included.

Part # 04-856 Disposable/Decon Breathing Tube Sleeve (pk 10)

Part # 04-862 C40™ Tychem® Cover

Part # 03-012-PMS 1/4" Plug to 1/4" NPT Male Swivel

Part # 03-042-PMS Schrader Twist Lock MNPT Swivel Plug

C40™ Climate Control Device - Parts

Part # 03-052-PMS-RZ 1/4" Male Thread RZ Coupler Swivel Plug

Part # 03-510 C40™ U Tube Assembly

Part # 03-514 C40™ Bottom Case

Part # 03-521 C40™ Top Case Assembly

Part # 03-522 C40™ Exhaust Assembly

Part # 03-526 C40™ Silencer Assembly

Part # 03-536 C40™ Inlet Collar

Part # 03-537 C40™ Silencers Pair.

C40™ Climate Control Device - Parts

Part # 03-539 C40™ Belt Loop - 03-521 Replacement required for pre-July 2020 C40™.

Part # 07-765 2" Belt Assembly

Protecting you for life's best moments.

WARNING

PRODUCT SELECTION

- Determine what type of protection is required for your activity.
 As applicable, check your workplace safety program, respiratory protection program, and standards and regulations for your activity or industry.
- 2. Check product specifications. Contact GVS-RPB® or check the product instruction manual (downloadable from gvs-rpb.com) for complete specifications, including approvals, standards, and regulations to which the product conforms.
- 3. Make sure you have a complete system. Verify that you have or are purchasing all required components. System requirements are available from GVS-RPB® or in product instruction manuals.
 Selecting inappropriate or incomplete equipment, including the use of counterfeit or non-GVS-RPB® parts, can result in inadequate protection and will void the NIOSH approval of the entire respirator.
